

GREETINGS FROM OFFBEAT.TRAVEL

Featured Trip: HIKING CAMINO DE SANTIAGO
(World's most popular walk. Have you done it yet?)

What is Camino?

The **Camino** de Santiago, or the Way of Saint James, was an epic Catholic pilgrimage to the Spanish city of Santiago de Compostela. Now more of a leisure and fun walk, “**Walking the Camino**” is a chance to intentionally slow down and move at a human pace, to join a history that's so much bigger than any of us individually.

The complete CAMINO is a long 800km trail that has inspired many artists, writers and filmmakers to document their profound journey such as Paulo Coelho in his bestseller *The Pilgrimage* and 2010's Hollywood movie *The Way* starring Martin Sheen.

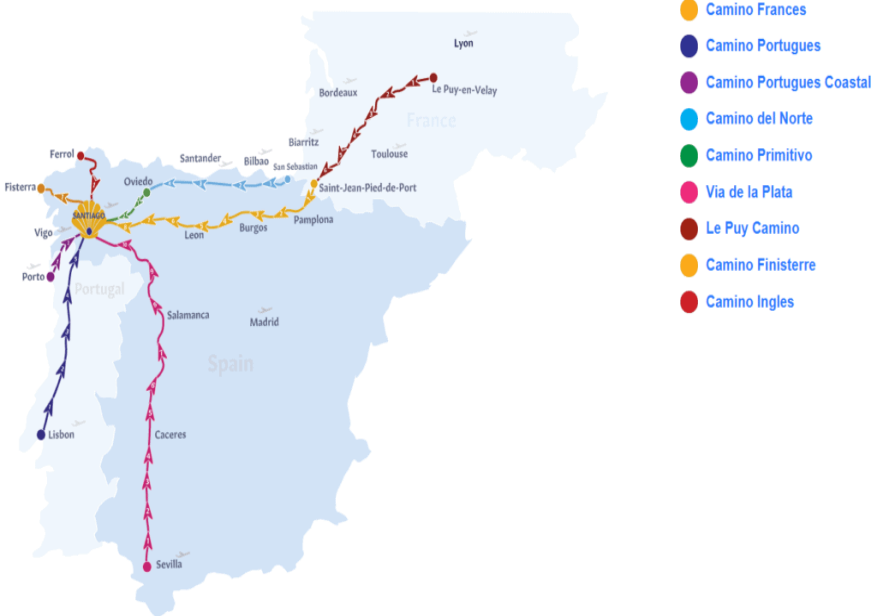

Classic Camino (The French Way) Last 100KM | 7 DAYS

You will be walking the last 100kms (most popular trail) of the famous Camino Francés from Sarria to Santiago de Compostela over 7 days, across the green rolling landscapes of rural Galicia.

This is the most popular Camino de Santiago trip and perfectly captures the essence of the Camino: Meet fellow pilgrims, discover local traditions, and enjoy the unique atmosphere of it all, rewarding yourself with good food after your day's walk.
